

WEEKLY INTERNSHIP REPORT

Week No.: 10	Date: 03/08/2026 – 09/08/2026
Intern Name: Aditya Pawar	

Task Given by Supervisor:

- Implement the Judge and Verify agents.
- Add confidence scoring, citations, and evidence collection.

Work Completed This Week:

- Implemented the **Judge agent** to select the best answer using the Generator, Debate, and Critic outputs.
- Implemented the **Verify agent** for fact verification against the retrieved context.
- Added **confidence scoring (0-100%)**, **citations with page numbers**, and **supporting evidence**.
- Tested the verification output for relevant and out-of-scope questions.

Remark by Supervisor:

The verification stage makes the answers transparent and trustworthy. Confidence scoring and citations were implemented effectively.
